

# Silent Exchange Sentence Starters

## Procedure Step 5: Writing your paragraphs

This is how you can set up a paragraph about your person:

- *The first student who answered my questions is \_\_\_\_\_ . I asked him/her about \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.*

Then, use these sentence frames to help you write about their answers. You may use one, two, or all of them. You don't HAVE to use these frames.

- *He/she told me \_\_\_\_\_.*
- *I was interested to read about \_\_\_\_\_.*
- *After reading about (Name), I have learned that he/she \_\_\_\_\_.*

Conclude your paragraph with a sentence like this:

- *Now that I have completed this activity, I can say that (name) can be described as (positive characteristic).*
